

465093 Recoil starter KIT

Parts included in the KIT	
1 pcs. Recoil starter	
6 pcs. M10 washer	

The Recoil starter KIT can be used in the following engines:

Art. num.	Engine Model	Year
TG500A	Powerline TG500A	2005
TG500B	Powerline TG500B	2007
TG650B	Powerline TG650B	2008

Mounting and modification guide:

- Center the recoil starter, mark and cut slots in the 3 mounting holes.

2. Use 2 washers between the recoil starter and the engine.

3. Mount the recoil starter with the 3 original bolts.

If you have any questions, please contact the TEXAS service team.
